-OFFICIAL ROUTES INFO- PAGE 3

If you want FlyBy Week routes but did not download GPS files or print copies of routes before arriving, ask for help at registration. We have a master set of paper copies that you can browse.

You can also browse all routes by going to flybyweek.com on your phone or computer. Go to the Routes page and browse them in the **EZ Route Selector**. Write down the route numbers you want (1-31) and we will print copies or load your GPS for you as you wish. We will also need to check the navigation settings on your GPS so it works properly with them.

GPS Users should read the **FlyBy Week 23 GPS User guide** on the EZ Route Selector page at flybyweek.com. We can print a copy for you at Registration if you want a hard copy.

Note: For best results with GPS routes, use a late model Garmin GPS that can load and use GPX format route files. Other GPS models, phones, etc. may work. See the User Guide for more details.

-HOW TO FIND RIDING PARTNERS-

Go to Registration and fill out a “**Find Riding Partners**” form. Look at the forms others have filled out to find like-minded riders. Forms include contact info so you can connect easily. Use your phone to take pictures of others' forms to easily remember details.

Take the opportunity to meet and get acquainted with others at the nightly dinner tours and outdoor lounge. If you are new or looking for people to ride with, please introduce yourself to others and tell them what you're looking for.

Feel free to ask an Ambassador for assistance. You can spot them easily- they have red Ambassador ribbons attached to their name badges.

-DINNER TOUR DETAILS- PAGE 4

Monday, Tuesday & Thursday we have arranged evening Dinner Tours to nice restaurants in downtown Marietta.

To participate, simply show up under the portico in front of the hotel for departure at 5:30 PM.

Transportation:

Monday-Tuesday- our group will be small, and we anticipate being able to car-pool downtown and back in vehicles provided by attendees who trailered to the event. Meet under the portico in front of the hotel. We will depart at 5:30PM.

Wednesday- the hotel has a food truck available from 5-7 PM. Hotel guests get free tickets for selected meals from it, plus other paid items are available. For those who still wish to dine downtown, we may do a car pool like Monday-Tuesday.

Thursday- we will have a larger crowd and there will be a trolley bus to transport attendees downtown and back. Depending on attendance, there may be a \$5 fee per person, round trip. If so you will pay when you board the bus to go to dinner. Meet under the portico in front of the hotel. Trolley will depart at 5:30 & 6 PM, dropping off at Butler St. parking lot. Return trips from there are at 8 & 8:30 PM. Call Chris Shoop at 304-488-9128 if you need help getting back to the hotel.

**-TAKE LOTS OF PICTURES AND
SHARE THEM -**

Be sure to share your FlyBy Week Pictures on the MSTA page on FaceBook, plus upload to the FlyBy Week Photo Gallery here:

-FREE MASSAGE INFO- PAGE 5

What could be better than riding the twisty roads of Southeast Ohio and Northern West Virginia?

Answer: Riding them all day and getting a soothing massage afterward!

Anne Marie LaFrance is a Licensed Massage Therapist and owner of LaFrance Wellness in Morganton, NC. She has many national certifications, specializing in pain management.

She's been bringing her excellent massage skills to FlyBy Week for several years and is well-known to MSTTA members. Her specialty is orthopedic massage and people come from all over the country for her services.

Here's how it works:

Anne-Marie will be set up in the Fly-By Week Conference room from 3-6 PM, on Thursday, Friday and Saturday, offering free 30 minute mini-massages. Stop by registration and sign up for a specific day and time. When it's your turn, tell Anne Marie where your aches and pains are and she will work them out for you.

Anne Marie will have complete control of her room and will set the rules. All her work is free to event participants. Of course, tips are accepted and encouraged- massage is hard work when it's done right. Anne Marie is always ahead of the curve with additional services to be offered each day. See her schedule for what when and where. She is always happy to provide free consultation if you want to discuss your specific needs.

Those who wish to have a longer paid session including a full body massage can make an appointment directly with her- she will be available most of the day and evening, Thursday-Saturday. If you have any questions or want to book your private session call 828-404-8000

The advertisement for Eric Waggoner features a red background. On the left is a headshot of Eric Waggoner, a bald man with glasses wearing a dark suit, white shirt, and a red and blue striped tie. To the right of the photo, his name and phone number are displayed in large white font. Below that is the slogan "Here to help life go right™" in a smaller white font. At the bottom, it says "Serving WV, OH & PA" followed by the State Farm logo and the name "State Farm®" in white.

We pick up where traditional travel insurance plans leave off.
Most people have health insurance; when they're ready to travel, adding travel insurance should be enough to cover "life's unexpected moments," Right?
Wrong.
Being stranded somewhere other than your hospital of choice should never be an option. Unfortunately, this practice is widely accepted as being good enough.
