-OFFICIAL ROUTES INFO- PAGE 3

If you want FlyBy Week routes but did not download GPS files or print copies of routes before arriving, ask for help at registration. We have a master set of paper copies that you can browse.

You can also browse all routes by going to flybyweek.com on your phone or computer. Go to the Routes page and browse them in the **EZ Route Selector**. Write down the route numbers you want (1-38) and we will print copies or load your GPS for you as you wish. We will also need to check the navigation settings on your GPS so it works properly with them.

GPS Users should read the [FlyBy Week 25 GPS User guide](#) on the EZ Route Selector page at flybyweek.com. We can print a copy for you at Registration if you want a hard copy.

Note: For best results with GPS routes, use a late model Garmin GPS that can load and use GPX format route files. Other GPS models, phones, etc. may work. See the User Guide for more details.

-HOW TO FIND RIDING PARTNERS-

Go to Registration and fill out a “[Find Riding Partners](#)” form. Look at the forms others have filled out to find like-minded riders. Forms include contact info so you can connect easily. Use your phone to take pictures of others' forms to easily remember details.

Take the opportunity to meet and get acquainted with others at the nightly dinner tours and outdoor lounge. If you are new or looking for people to ride with, please introduce yourself to others and tell them what you're looking for.

Feel free to ask an Ambassador for assistance. You can spot them easily- they have red Ambassador ribbons attached to their name badges.

-DINNER TOUR DETAILS- PAGE 4

Monday, Tuesday & Thursday we have arranged evening Dinner Tours to nice restaurants in downtown Marietta.

To participate, simply show up under the portico in front of the hotel for departure at 5:30 PM.

Transportation:

Monday-Tuesday- our group will be smaller, and we will have one passenger van and driver to get people downtown and back. If anyone wants to help by taking some attendees in their personal vehicle that will reduce the number of van trips and is appreciated. Meet under the portico in front of the hotel. Departures will begin at 5:30 PM, dropping off at the parking lot on the corner of Butler and 2nd street. Return trips from there begin at 7:30PM or **Call John Smith at 304-481-6445 if you need help getting back to the hotel.**

Thursday- we will have a larger crowd and there will be two passenger vans to transport attendees downtown and back. Meet under the portico in front of the hotel. Departures will begin at 5:30 PM, dropping off at the parking lot on the corner of Butler and 2nd street. Return trips from there begin at 7:30PM or **Call John Smith at 304- 481-6445 if you need help getting back to the hotel.**
