Important news about route changes:

Will be posted here.

FlyBy Week weather as of 08/14:

Rain: Significant rain only this Sunday- I'm riding to Marietta. Significant rain is at dawn and after about 4pm. Takes me about 4 hours so am leaving at 9-10am, arrive 1-2pm.

Only other rain on Monday and Wednesday is insignificant amounts.

Temperature: Lows 60-70, highs 77-85

Humidity: Humid on Sunday & Monday, pretty good rest of the week. Dew point in low to mid 60s. (Humidity is pretty comfy till Dew point gets above 70.

Comment: Have been watching it rain for weeks. If you want to ride, FlyBy Week will be the the opportunity!
